

Riverdale Kingsbridge Academy MS/HS 141

**Supply List 2024-25**

In order to encourage student organization and to minimize costs to families, we have adopted a school-wide supply list. This will make the expectations across the school consistent, and we hope it will also lighten the book bags too! Supplies will need to be replenished throughout the year; quantities provided are the numbers needed to start the year.

\*\*\*Please keep extra supplies AT HOME. DO NOT send everything into RKA. Because students change rooms throughout the day, the extra supplies are stored at home. Students should bring what they need each day.

- Cushioned case for device, **devices must be brought back and forth to school each day.** If your child does not have a device, we will address that within the first week of school. Any devices previously issued to students from DOE schools must be accounted for before new devices are issued.
- Headphones with a 3.5 mm jack
- 3 ring binder
- Pocket folders (6 to start)
- Notebook Dividers (approximately 8) (for example, Avery Model # 11903)
- Loose leaf paper with holes punched (8 1/2 x 11), for use throughout the year, at least 1,000 sheets to start . Keep most at home, and put some in the 3 ring binder.
- Graph paper composition books
- Portable hole punch that fits into the binder (for example, Staples Model #20545)
- #2 Pencils (3 boxes to start). Bring a few pencils everyday.
- Blue and black ball point pens (3 boxes to start). Bring a few pens everyday.
- Colored pencils (24 pack) for art, science and math (1 box to start)
- Ruler
- Calculator
  - Grades 6 and 7 and 8th grade math: Texas instruments TI 34 Multi View
  - Grades 9-12 PLUS 8th Grade students enrolled in Algebra: Texas Instruments TI-84 plus  
\*\*\*Very Important. This is the calculator used throughout HS.
- Post its- several packages (at least 5 to start). Bring a pad to school.
