

# NYS Graduation Requirements

6 Credits (3 years)

- 1 Life Science - Biology (replaces Living)
- 2 Physical Sciences - Earth & Space (replaces Earth), Chemistry, Physics

Regents Diploma

Advanced Regents Diploma

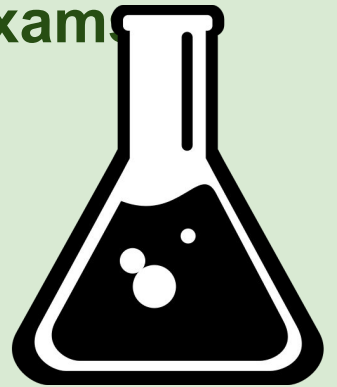

# Course Sequence

Grade	Course	Exams
9	<b>Chemistry</b> <b>Earth &amp; Space</b>	NYS Chemistry Regents NYS Earth & Space Regents
10	<b>Physics</b> <b>Chemistry</b> Physical Science	NYS Physics Regents NYS Chemistry Regents
11	<b>Physics</b> Electives AP Biology or AP Environmental	NYS Physics Regents  AP (if enrolled)
12	Electives AP Biology or AP Environmental	AP (if enrolled)

# Regents Courses

- Biology
- Earth & Space
- Chemistry
- Physics

**\*\*Must complete labs to qualify to take Regents Exam**

# Advanced Placement

- AP Environmental (Full year)
- AP Biology (Full year)

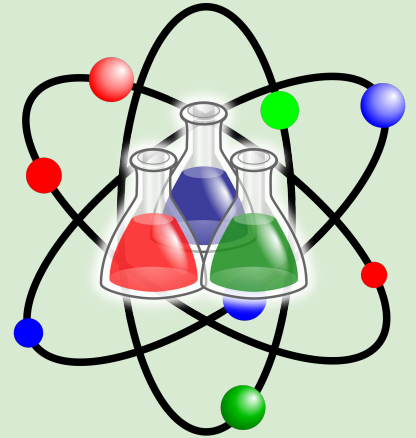

# Dual Enrollment

- Engineering (Full Year)

# Electives

- **Kinesiology/Nutrition**
- **Bioethics and Environmental Research**
- **Anatomy and Physiology**
- **Childhood Development**
- **Genetics**
- **Weather and Climate**
- **Forensics**

# Science After School

- Science Olympiad
- Fruitsliven (Outdoor/Environmental )

**Looking  
forward to  
seeing you in  
the fall!**
